How are you feeling?

Uhm... I'm
all right now. Thank
you for worrying
about me.

You have to take
care of yourself when you travel.
There are so many who have gone
missing or have died in the
desert.

I see...

But you
were lucky. If
it wasn't for Sa
Heun, things could
have gotten real
bad.

Oh, that's right.
I'm Fren and that doofus
there is Sa Heun.

Ah, yes...

Who're you
calling doofus?! Don't
forget that I'm the
senior.

Well, if you're that thankful, you should give me something in return!
Ah, of course I didn't save you for that.

Ah...! So you are the one who pulled me out from the sand! Thank you so much.

I know!!! I know he would say that.

Ah... What should I do? I don't have anything with me right now... I'm sorry.

It's alright!
Don't listen to him. By the way, what's your name?

Oh, I'm...

No. 0009 (Number zero zero zero nine).

I knew he was a 'hybrid' from the looks of his hair...

but I never thought that he would be a 'rare' who's less than number 10.

Number zero zero zero nine? That's a strange name...

Do you think so?

Jackpot!

if I sell him to the slave market after getting some 'information' out of him, he'll bring me some bucks!

huhu

Ting-

OUCH!

What should I do???

Who... What?

He's all grown up but all
of a sudden

But...

He's so cute!!!

Oh, up
there, look at you, cutie.
I'm so proud of you.

Who... What is it??

Six Teary Teary See-See

I can't...

Stay calm stay
calm stay calm stay
calm stay calm stay
calm stay calm stay
calm stay...

Remember...

... What??

1111

I mean, um... When I regained consciousness, I was already wandering in the desert and... Umm... I only remember my code name and my 'purpose'...

Purpose? What purpose??

I can't say that...

AKO! Gaido

?!!?!?

SA HWAN!
WHAT ARE YOU
DOING? LET HIM
GO!!

WILL YOU JUST...

KEEP QUIET.

s/x Shiver-

... What?

You ungrateful hybrid
bastard...

You dare do after
I went to all that trouble
just to save your
life?

You worthless bastard...

Anyway, I'm not
interested in your purpose.
I was just investigating
that place.

?!!?!!

What is this?!

It's too hot!!

Shit Sizzle-

ARGH!!

Kakaku... Well? Is it bearable?

Heh! Now that's a surprise. So the smell of a burning hybrid's skin is the same as that of a human's, eh?

Kakaku

UGH!!

Six: Suzie-

I'll crank up the heat more than this, that green head of yours will never be reunited with your body again.

So spill it.

Six: Suzie

What did you see before you collapsed?

That's the only reason why I saved the life of you.

34x, Sizzle

lolol

장!

Surprise

34x, Sizzle

WILL YOU STOP IT?!

56x Steam

HE SAID HE
CAN'T REMEMBER!
WHAT DID NINE DO
WRONG TO MAKE YOU
DO THIS?!

Sfx: Cough Cough

Sfx: Walk Walk

HOW CAN
YOU SAY THAT?!
YOU'RE REALLY...

Tower...

A tower. I saw a tower of water.

What? A tower of water? That's impossible.

At first,
I also thought that
I was doing things
because I was so
tired.

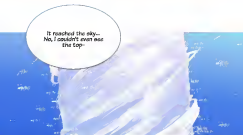

But...

It was really there.

A giant column of water...

It reached the sky...
No, I couldn't even see
the top.

It was a tower of
water...!!!

Bingo-!!

A tower of
water, you say? That's
just nonsense.

If you really
saw it, why didn't
you go to it and drink
from it? Why were you
unconscious?

There, all done. It
might get a bit hot so
put this on for the
moment.

Silk (Bandage): Tight, Tight!

Actually... I
wanted to, so I
tried to go near it
but...

It wasn't there.

When you actually want to it, it wasn't there, right? Or it was farther than you thought.

Yes... So I was thinking that maybe I did hallucinate... Until you asked me what I saw...

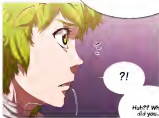

Eh, that was a lousy ending.

I'm sorry. It felt so real at that time...

Oh, it's fine! There's no need to apologize.

You weren't hallucinating.

?!

Huh?? What did you...

I said,

You weren't hallucinating.

But...

I know, I know.
But you said you saw
it. The tower of
water.

Yes, I did
see it but... It's
possible that I was
seeing things because I
was really thirsty...

I finally found a lead...
It's definitely these guys!

That's what
I've been investigating.
Tower of water, column of
water.

What?
Do you mean
that it actually
exists??

Yup, I also saw it. So to
be sure if it's a tower or
a column of water...

Let's go and find out!

Kukukuku ...
Just sit tight, you bastards ...
I'll definitely find you
guys and get my revenge 100
times worse!
